

  
**POSSIBLE**

**The Possible Campaign is now in year two and off to an amazing start!**

Last year we held our first “Stage for Change” event in November. Check it out at <http://stageforchange.ca/>. See a time lapse video of this great event, accompanied by an instrumental version of our song, *Impossible Isn't a Real Word*.

In phase two, we are building support for the campaign, working with other agencies, committees, and communities. We have presented the campaign to the delegates at the Addiction and Mental Health Ontario conference. Several agencies are now signing up to use the Possible Campaign. We will also hold a webinar to share information and encourage our peers in Ontario to join!

In November 2013, we will present at the Canadian Centre on Substance Abuse, national conference, in hopes that there will be delegates from other provinces interested in the Possible Campaign.

We are entering a very exciting period in the campaign and have added new stories of recovery to the website. Check it out at [www.its-possible.ca](http://www.its-possible.ca)!
